

Kindergarten School Supply List 2020-2021

In the past, many school supplies were shared. That will not be the case this year. I'd like all of the supplies listed in blue to be brought to school inside a large plastic school box that can stay in your child's desk. I prefer a box, but if you cannot find one, a large baggie would work. Either way, it needs to be easily sanitized/wiped down, so nothing with fabric, please.

1 pack of Ticonderoga sharpened pencils--sharpening pencils will be more of a process this year, so please try to get the Ticonderoga brand. The lead breaks less often.

1 box of 16 Crayola crayons--label the box with your child's name and place the whole box in the plastic school box.

1 10-pack fat-tipped Crayola markers, classic colors--label EACH marker with your child's name, and place the markers (take them out of the marker box) in the plastic school box.

2 glue sticks--label each with your child's name.

1 Paper Mate Pink Pearl eraser--labeled with your child's name.

2 Expo markers, Chisel tip, any colors--label each with your child's name. If you buy a pack that contains more than two markers and you'd like to donate the excess to our classroom, I'd love to have them. :)

1 2-pocket folder, any design or color--labeled with your child's name.

2 boxes Kleenex

Backpack

Water bottle that closes--I'd suggest one that has the straw or drinking piece covered by a lid for sanitary purposes.

Clorox wipes--I realize you may not be able to find these now, just send when/if you are able to find them.

Kindergarten School Supply List 2020-2021

1 pump bottle hand sanitizer--if you can find a type with aloe, it seems to be more gentle on little hands. I prefer a pump bottle, but if you cannot find that, any will do, just not travel size.

Baggies--first names A-J gallon-size; first names K-Z sandwich-size.
