

August 19, 2019 Monday notes. We made it through the first week of classes! Students were happy to return and teachers were excited to work with your children.

A big Thank You to the PTO! That was a fabulous dinner for Back to School night. I hope you all enjoyed the 'meet & greet' format. If you have suggestions for improvement, please let me know.

Great job on the drop-off and driveline. Students are getting out to the playground safely and driveline is moving smoothly. I am appreciative of all of you being so conscientious when dropping off and picking up students.

The school website CCASchool.net is your primary source for all CCA information! All class newsletters, calendars, and other information is on the website. To help you plan your week, teachers and I will have newsletters updated by Monday. Please delete the old CCA app from your devices. To easily access the website from your phone, make a Quick Link from the new website. Need a little help? Stop in the office!

For the safety and security of all students, please contact Jennifer or Robin for any attendance event including, but not limited to, absences, early dismissal, or if you are running late to pick up. It is important for front office staff to update information on IC and contact teachers without disrupting classes.

I am hosting a Book Club for **all** parents. The first section of the book *GRIT* by Angela Duckworth will be discussed October 15th at 2:30. If you have a 6th grade student and have not received your free copy of the book, please stop in the office to see me and get your book. It is a great read for all parents and again, all parents are invited to the book study discussion.

Emilee Klausner is sponsoring an EF Tours trip to France & England. Please contact Emilee for more information.

Our Cardinal After School Program is underway. Click [here](#) for more information or pick up information outside the office.

Occasionally, a student will forget his/her snack and/or lunch. If your student forgot lunch, they will call home in the morning to ask someone to bring it in. If this is not possible, we have some food in the office for your child. A child will not go without food. In addition, we ask that you do not wrap food to be reheated in aluminum foil; just use microwavable containers. Please let me know if you have any questions.

Speaking of lunches, Pizza lunch begins this week. For more information, click [CCA Pay](#) or contact Jennifer in the office.

The new playground is scheduled to be installed this week. Use care around construction equipment and personnel.

The calendar is being updated continuously; so check the calendar often.

Upcoming CCA Events

- August 22: Accountability Committee, 3:45- 5:00pm
- August 22: Pizza lunch
- August 28: Board of Directors meeting 5:30-7:30
- August 29: Chick-fil-A lunch

I am looking forward to another busy, fun week. Drop in and say, "hello" if I have not met you yet.

Sincerely, Maureen Lockette
